UNION COLLEGE

Barbourville, Kentucky

1953-54

D E D I C A T I O N

This, the "Diamond Jubilee" edition of the *STESPEAN*, is dedicated to Union College. To the things for which it stands—to the faculty, staff and student body, past and present, who have helped make Union what it is—to the ideals and knowledge gained—to the moments of inspiration, laughter and friendship shared—to all the memories of, and hopes for Union College, we dedicate this 1954 *STESPEAN*.

ADMINISTRATION

DR. CONWAY BOATMAN

President

To The Readers of The 1954 Stespean . . .

GREETINGS!

This year of 1954 Union College celebrates its 75th Anniversary, the Diamond Jubilee. This year's STESPEAN makes recognition of these celebrations. The program calls for five special days of celebrations the last week of May as follows:

BARBOURVILLE CITY DAY	May 27th
FACULTY AND STUDENT BODY DAY	May 28th
ALUMNI DAY	May 29th
KENTUCKY AND LOUISVILLE CONFERENCES' DAY . .	May 30th
TRUSTEES' AND FOUNDERS' DAY	May 31st

Then these five great days of celebrations, led by special groups, will be followed on June 1st by the 75th Commencement, at which time Bishop Corson of the Philadelphia Area will give the address. For the evening of May 31st a pageant is scheduled, depicting in drama the history and achievements of these great 75 years in Union's service.

I have taken much pride in the years I have been at Union College in the appearance of the STESPEAN year by year. I consider it the outstanding publication of each college year and, year by year, the hard work and devotion of a group of students, with a faculty sponsor, in producing the STESPEAN has stirred deeply my feeling of gratitude. This year's STESPEAN is a worthy successor of those which have preceded. I congratulate and thank heartily those who have produced it and commend it to the alumni, students and friends of the college everywhere for their reading and imbibing the great spirit of Union College.

Sincerely,

C. BOATMAN, *President*

DR. H. B. SMITH, *Dean*

Anniversaries are happy occasions. They are conclusive evidence of ability to meet and conquer problems, and to prevail against circumstances over a period of time. The thrill of attainment covers over the scars from past struggles, soothes the weary laborers, and joy reigns supreme.

Each commencement season is a great anniversary at Union College. For the students enrolled, and those who graduate, it marks the successful passing of another important milestone. Those who have been a part of this Seventy-Fifth Year have had a special opportunity to gain a better understanding of the way progress is attained. This knowledge will serve you well. Guard it, use it, and pass it on with your best wishes as we now wish for each of you many happy anniversaries in your personal lives.

History of the

DIAMOND JUBILEE

Graduating Class

As Freshmen . . . After a bewildering week of registration our life at Union settled down to a normal pace We elected Bob Turner, Brian Smith, Jo Hopper and Allan Phillips as our class officers, and Mrs. Easterly as our sponsor Among the year's highlights was the Daniel Boone Festival.

As Sophomores . . . This year was marked by the fact that we now knew the ropes and were accepted with new respect—or so we believed Ted Wiseman, Jack Bruner, Don Wallace, and Lawrence Dye were chosen as class officers and Mr. Peters was sponsor We sponsored a very successful Sadie Hawkin's Day Party Several Sophomores participated in a Variety Show which presented many programs in the high schools of this area Bobbie Yeaton, one of our class, was elected basketball queen.

As Juniors . . . We assumed the responsibility for the Junior-Senior banquet and it is our contention that there has never been a better one A minstrel show was given which was highly successful Bobbie Yeaton was Union's representative to Mountain Laurel Festival Dr. Bleyl was chosen as our sponsor and Harold Cole, Earl V. Evans, Jo Hopper, and Jack Brunner were our officers.

As Seniors . . . Due to the draft, matrimony, and various other factors, only 17 of the original class of '54 are still on the campus Jack Bruner, Baxter Hamblin, Ruth Owen, and Amerida DeCoursey were elected as officers, and Dr. Cogan and Mr. Zajicek were our sponsors Jack Bruner and Bobbie Yeaton were selected as Mr. and Miss Union We sponsored the annual Halloween Party We feel honored to be the graduating class of Union's seventy-fifth year and it is with mingled sorrow and happiness that we leave our Alma Mater to go our separate ways.

This group is composed of all pre-ministerial students and those who plan to go into full-time Christian service. Under the sponsorship of Dr. Horace Weaver, head of the Department of Religion and Philosophy, the organization, in addition to acting as a nucleus for the religious life of the campus, is also interested in worthy causes off campus and it dispatches pre-ministerial students to rural churches to serve as part-time pastors.

Kreuger Myth Basis For Playlikers Production

"Night of Jan. 16th" Title of New Play

At the time of the suicide of Ivar Kreuger, Swedish match king and financial juggler, revealing the complicated failure of his international financial interests, it was rumored that he had only faked his death, and really had departed to South America, to live incognito and in luxury on a fortune that he had established there. This story is the basis of the play selected for presentation by the playlikers at the little theater on Saturday and Sunday, Jan. 16 and 17.

The play, "Night of Jan. 16th," is a long run in the history of the college, having toured the country for many years. Percy H. Brown, critic on the New York Tribune, wrote a word of no less praise for the showman than George Bernard Shaw, that "Night of Jan. 16th" is a masterpiece that has earned its place in his experience."

With announcement of the play, the players who will take the various parts, construction for setting is planned, and rehearsals are in their second week. The production is now well under way, according to Harold Showalter, student director of the play.

Gospel Team Goes To Hazard

December 6th Art Robins, James Smith, Frank Lotz, Bula Grider, Julia Stapleton, and Mr. Milton Townsend went to the Bowman Methodist Church in Hazard, Kentucky, as a representative team of the Oxford Club Auxiliary.

This gospel team provided the evening worship and program for the M. Y. F. James Smith was the speaker at this service. The church furnished a fellowship and supper for the group.

The Gospel Teams are very much in demand; therefore, these teams will be very busy providing worship services in nearby churches during the coming new year.

Foreign Language Students Visit Vanderbilt Mansion

A group of sixteen students visited the Biltmore House in Asheville, North Carolina, on November 20. The house was built between 1890 and 1895 by the late George W. Vanderbilt. The architect was Richard Hunt. The style of architecture is French Renaissance.

Strictly speaking, this is a play without a heroine, but Marjorie Salmons, from Port Huron, Michigan, has been chosen for the leading feminine part, that of Karen Andre, defendant in the murder trial. Nor has it a hero, the principal male role being that of the prosecuting attorney, which will be taken by Arthur Robins, of Northampton, Massachusetts.

Supporting roles will be played by Prisoner, and the Biltmore House.

FROM THE OFFICE OF THE DEAN

The schedule of second semester classes including spring term and Saturday courses will be available upon the return of the student body after the Christmas Holidays.

The schedule of classes for the end of the year will be posted in the Student Union.

BASKETBALL

The record of the Union Bulldogs is not as good this season as it has been in recent years since they played in "spurts." While in some games they showed the ability we know they possess, in others, both their offense and defense were not up to par. But it can be truthfully said that the quality of the material was not lacking in any way.

The Bulldogs scored a total of 1926 points for the season, giving them an average of 80.25 points per game.

In the KIAC tournament Union won over Berea to go into the semi-finals in which they were defeated by Kentucky Wesleyan.

Leading the way for the Bulldog scorers was Ernest Trosper whose slightly better than 21 points per game average gained him a spot in the top five college scorers in the state.

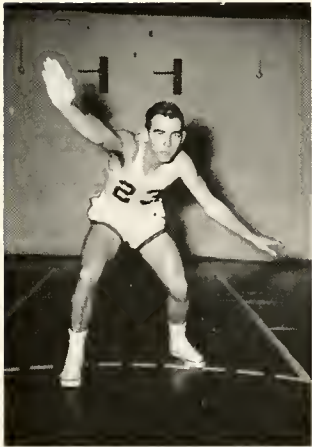

The Union Bulldogs lose the services of four men through the medium of graduation this season. They are Harold Cole, Jack Bruner, Eddie Mobley and Will Craig.

Eddie Mobley is a transfer from Morehead College where he was one of the outstanding pivot men in his conference. While he has played little for the Bulldogs this season, he has exhibited flashes of the brilliance that made him a star at Morehead. The Bulldogs will lose an able player in Mobley.

Will Craig played his first season on the varsity team this year. Will is a quietly effective rebounder, who

handles his assignments calmly and managed to do his share for the Bulldogs this season.

Jack Bruner, co-captain of this season's Bulldogs, has been a key player for Union for four years. He is one of the team's best defensive men, and he manages to make up for any lack in his offensive play with his sparkling defensive play.

Harold Cole, the other co-captain, has been a mainstay of the Bulldogs for four seasons. Harold is always among the leading scorers of the conference and has a knack of holding his opponents' scores down. He has been selected on both the all-KIAC and all-SMAC teams several times and can always be counted on to deliver when the Bulldogs are in a tight spot.

However, returning from this year's squad will be Sloan, Trosper, Sergeant, Otto, Soloman, Swim, Lehew and others who will form the basis of another fine Bulldog team next year.

FRESHMAN TEAM

The Union College freshman team, often fondly referred to as the Puppies, turned in the second complete season since their reorganization last year.

They played excellent ball against a tough schedule of high schools, junior colleges and some fine independent teams of the area.

Starring for the Puppies this season were such players as Jim Foutch, Freddy Parsons, Joe Gregory, Doyle Swanner, Jim Walters and Gene Combs. These boys and others formed the basis of the freshman team which took the floor for Union College this season.

SPRING SPORTS

Spring sports at Union consist of track and baseball inter-collegiately, with tennis being a campus favorite.

The '53 track team did not accomplish much in the way of team victories. However, individual stars sprang forth to pace them. Gerald Swim was the consistent performer of the track team, gaining most of the team points in each meet with his skill.

The '53 baseball squad also had its difficulties in the winning department. The main accomplishment of the baseball team was the breaking of the LMU jinx which had plagued the Bulldogs for a number of years.
